

13th International Symposium on Avian Endocrinology 2024

March 17-22, 2024

An Opportunity to Publish in the Journal of Neuroendocrinology (JNE)

Dear Participants of ISAE 2024,

Greetings, Merry Christmas, and Happy New Year 2024.

The ISAE2024 in consultation with the Editor-in-Chief proposes to bring out a special issue of the Journal of Neuroendocrinology including articles from speakers/presenters of the ISAE2024. I request you to consider the submission of one or more of articles from you and your group.

Type of articles: Original research paper; mini-review; synthesis review (based on all presentations in a symposium session and involving all speakers).

Submission: All articles will be submitted directly to the JNE, and will go through the due review process.

Timeline:

15 February, 2024: An email acceptance with tentative title and prospective authors.

30 September, 2024: Submission of articles to the JNE.

Note: If you are an Early Career Researcher (ECR) or a delegate from a low- and middle-income country (Lmic) and want to be considered for the JNE award of USD 500/-, please submit the abstract of your intended submission (in 250 words) along with a letter of affirmation from you Supervisor (for PhD students) or the Corresponding author.

The email for communication: isaeindia24@gmail.com

Thank you in advance for your favorable consideration.

Long Live Avian Endo

Vinod Kumar
Chair ISAE2024
